OAKWOOD MIXTURE

This is highly recommended to those who wish to have a lot of flowers for their money. It is made up almost entirely from standard named varieties. The smaller sizes will bloom well and enable you to have a great variety for little money.

First size, $1\frac{1}{2}$ inches up, 25c a dozen; \$1.50 per 100.

Second size, 1 inch to $1\frac{1}{2}$ inches, \$1.00 per 100; \$9.00 per 1000.

Third Size, $\frac{3}{4}$ to 1 inch, 75c per hundred; \$7.00 per 1000.

25 at 100 rate; 250 at 1000 rate. Doz. at 10 times single price. 6 at doz. rate.

BULBLETS—25 bulblets of named sorts for price of single bulb. Some kinds much cheaper, but I will make that right by over count.

Half Price

Named varieties, in size $\frac{1}{2}$ inch to 1 inch diameter, at half the list prices while they last.

Postage

I prepay to the 4th zone, except by the 100 which will be sent by express or you may remit 12c for 2nd zone, 17c for 3rd zone, 25c 4th zone, 35c 5th zone
